

# Do You Know How...

## ...to teach your elders?

Age is no barrier to modelling skill. Experienced modeller and new NMRA member Andrew Dunn, 22 (right) shows Ian Pennicott and Paul Fisher, (left) how to create a grassy contour using a static applicator at South Shore's show.

**NMRA British Region members have experience and expertise in all aspects of modelling, especially North American railroads.**

**As a member you can share that accumulated know-how.**
